FEUDISTS AGREE TO TRUCE. State Troops.

Jarkson, Ky., Jan. I.—Fearing that the governor would send troops to Breathitt county to preserve order, the Callahan and Deaton factions today agreed to a truce and disbanded. Both bands left Jackson late today. The compromise was the result of the dismissal of the warrants against former Sheriff "Ed" Callahan and seven of his adherents, who were charged with the shooting of Rash Sebasilan, and those against Govan Smith and two of the Deaton faction, for confederating and for shooting up the Callahan home shortly after the presidential election.

It used to be held that primitive man was a vegetarian; but that an-thropoligist Ortvay has mide careful and extended investigations, which in-dicate that primitive man, like the modern savage, was omniverous.

A Frequent Mistake.

TYLER CRUTTENDEN AN EFFICIENT ASSISTANT. Dairy Commissioner Will Ask for \$20,-

000 This Year. The merit system which became effective Friday in all branches of Uncle Sam's great mail service began Friday at the Norwich office. The name merit system is in a way a misnomer, for it is really a demerit system. For carelessnous, absonce, errors—in fact, any intraction of the rules, the person guilty receives a demerit and the number of demerits deducts proportionately from the record of the person.

The system is founded on the preaumption that all postal employes are perfect in their work. This gives a scale from which the employes' record of the system will regulate the promotion of postal employes and as with promotion goes additional salary it will also govern the solarity of control allowed him an extra sum of sit,700 to meet expenses incurred in the carrying out of the pure food law. It was with considerable reluctances that Commissioner Potter went before the board of control to ask for an extra appropriation. The board of control gave him the amount for without being obliged to ask for an extra appropriation. The board of control gave him the amount for some the system.

The system is largely experimental and it is not thought will work any ralked sharges in the postal denartines. The remarkable absence of errors in the postal work shown is good proof of the accuracy and general efficiency. Hubert F. Potter, the dairy com-missioner, will ask the incoming gen-eral assembly for a substantial in-crease in the appropriation for his de-
